revolutionary technology

Fine Spray Nozzles

Patented
90°Angle spray
Robust and Precise

Stainless Steel Container

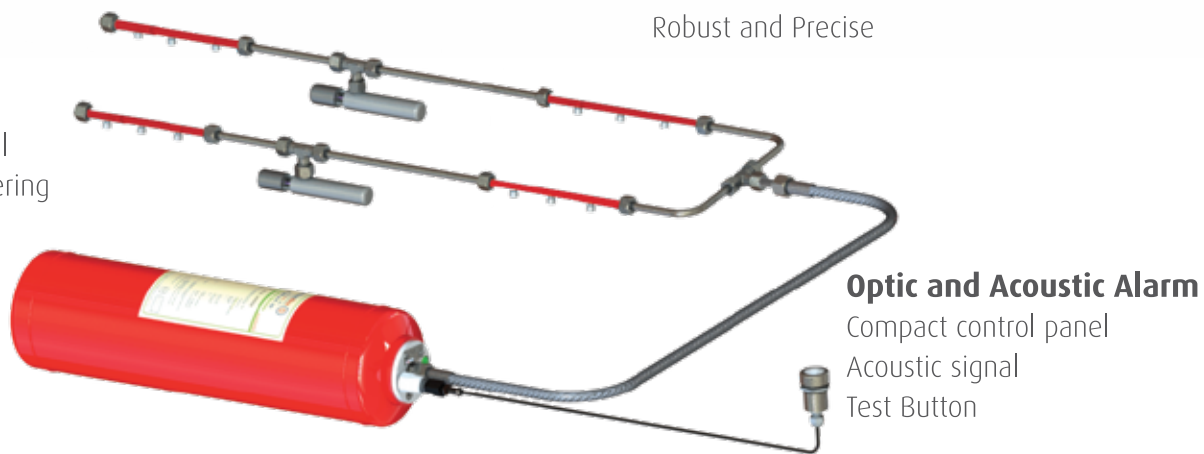

Safe and Robust
Internal Activation System
No maintenance

Spy - Thermo-pneumatic Detector

Patented
Multiple temperature range
Sensitive to hidden fires
Robust and Precise

Stainless Steel
Precision Engineering

 made
in
Germany

Optic and Acoustic Alarm

Compact control panel
Acoustic signal
Test Button

No electricity

no electrical power in the system is needed

No pressure

no pressure in all pipeline

Maintenance free

almost maintenance free, no parts need replacement up to 10 years

Simple & Easy to install

both for new system or retrofit and in a limited and confined space.
